

BEAR DANCE

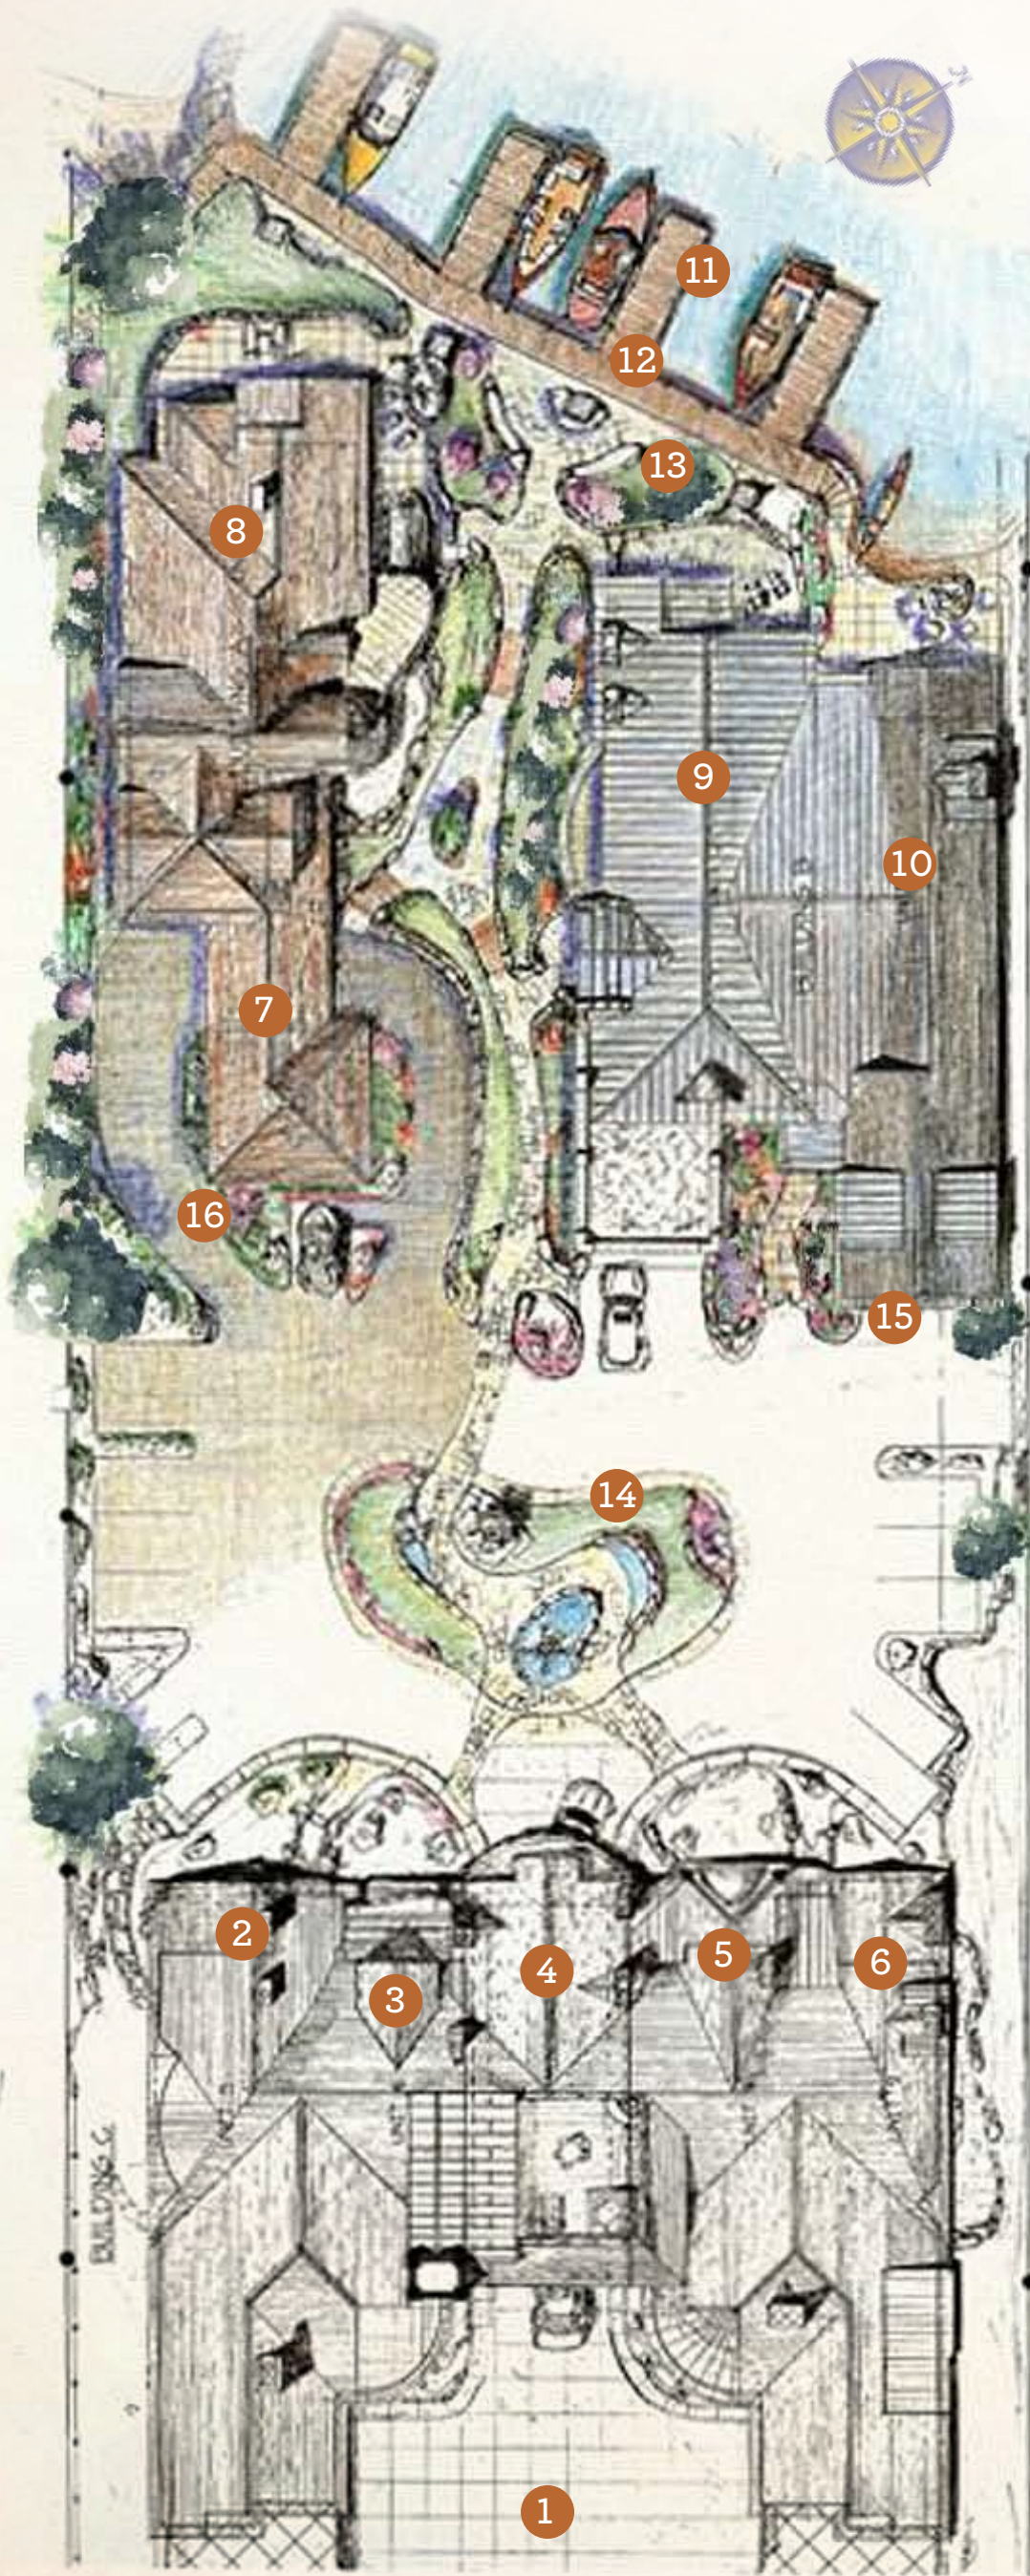

SITE PLAN

Enter the handcrafted gates of Bear Dance and immerse in a private world where old-world craftsmanship and nature's artistry blend seamlessly. Nine distinctive residences comprise a two-acre enclave facing the gentle waters of Bigfork Bay. A massive portico illuminated by gas lanterns leads to a storybook courtyard.

The majestic Swan and Mission Ranges surround you, cradling the clear blue waters of Flathead Lake. A short stroll from the heart of Bigfork along its own sheltering cove, Bear Dance presents an artful retreat to the Montana dream.
